

## LET'S GET PLANNING!

At Kokomo's Island Café our fun laid-back atmosphere, warm hospitality, fabulous "Ameribbean" food and exotic island drinks are all you need to make your event, catering, delivery or party unforgettable!

### Create Your Own Menu!

The bold and flavorful food at Kokomo's captures the tastes of the Islands – it is homemade American food with a Caribbean flair (we call it "Ameribbean" cuisine)! Kokomo's "Ameribbean" cuisine uses fresh ingredients which are cooked from scratch.

If you are in the mood for a change of pace and something just a little bit out of the ordinary for your business lunch, group functions, corporate functions, holiday party or office gathering, then look no further! Your imagination (and the law) is the only limitation on how we can customize a menu to satisfy from 5 to 500 of your friends – no problem 'mon!

Kokomo's has on-site meeting and event spaces (with free attached parking) for groups of 20-150 with accommodations for sit down dinners, buffets, cocktail receptions, team building events and partial restaurant buyouts.

Try our "You Pick" or "We Pick" buffet options or create your own from our list of specialty buffets. The choices are endless! Just call Kokomo's Beach Staff to get your planning started.
